

Poultry Waste Management Education Requirements

Registered poultry operators and certified poultry waste applicators are required to attend:

- *9 hours of initial education within the first year of becoming registered or licensed*
- and
- *2 hours of continuing education each year until receiving a total of 19 training hours.*

Upon receiving the 19 required hours, the operator or applicator will attain graduate status but shall be required to receive:

- *2 hours of continuing education every 3 years thereafter.*

If you became a graduate during 2015 you must attend a minimum of **one** continuing education class during the 3-year block:

Jan. 1, 2016– Dec. 31, 2018

More information related to education requirements may be found at

poultrywaste.okstate.edu

*If you are unsure of your education status or have questions about the regulations pertaining to your business operation, contact the Oklahoma Department of Agriculture, Food & Forestry at
405-522-5892.*

Oklahoma Cooperative Extension Service

For us, it's personal. OCES county educators and area, district and state specialists develop science-based educational programs to help Oklahomans solve local issues and concerns, promote leadership and manage resources wisely.

Programs focus on:

- * *Increasing opportunities for Agricultural enterprises*
- * *Natural resources and environmental management*
- * *Food, nutrition, health & safety education*
- * *Youth, family and community development*
