Poultry Waste Management Education Requirements
Registered poultry operators and certified poultry waste applicators are required to attend:

- 9 hours of initial education within the first year of becoming registered or licensed
- 2 hours of continuing education each year until receiving a total of 19 training hours.

Upon receiving the 19 required hours, the operator or applicator will attain graduate status but shall be required to receive:

- 2 hours of continuing education every 3 years thereafter.

If you became a graduate during 2016 you must attend a minimum of one continuing education class during the 3-year block:

Jan. 1, 2017 - Dec. 31, 2019

More information related to education requirements may be found at poultrywaste.okstate.edu

If you are unsure of your education status or have questions about the regulations pertaining to your business operation, contact the Oklahoma Department of Agriculture, Food & Forestry at 405-522-5892.

Oklahoma Cooperative Extension Service
For us, it’s personal. OCES county educators and area, district and state specialists develop science-based educational programs to help Oklahomans solve local issues and concerns, promote leadership and manage resources wisely.

Programs focus on:
- Increasing opportunities for agricultural enterprises
- Natural resources and environmental management
- Food, nutrition, health & safety education
- Youth, family and community development
