

Poultry Waste Management Education Requirements

Registered poultry operators and certified poultry waste applicators are required to attend:

- **9 hours of initial education within the first year of becoming registered or licensed and**
- **2 hours of continuing education each year until receiving a total of 19 training hours.**

Upon receiving the 19 required hours, the operator or applicator will attain graduate status but shall be required to receive:

- **2 hours of continuing education every 3 years thereafter.**

If you became a graduate during 2012 you must attend a minimum of **one** continuing education class during the 3-year block:

Jan. 1, 2013 — Dec. 31, 2015

More information related to education requirements may be found at

poultrywaste.okstate.edu

If you are unsure of your education status or have questions about the regulations pertaining to your business operation, contact the Oklahoma Department of Agriculture, Food & Forestry at 405-522-4659.

Oklahoma Cooperative Extension Service

For us, it's personal: OCES county educators and area, district and state specialists develop science-based educational programs to help Oklahomans solve local issues and concerns, promote leadership and manage resources wisely.

Programs focus on:

- * *Increasing opportunities for Agricultural enterprises*
- * *Natural resources and environmental management*
- * *Food, nutrition, Health & safety education*
- * *Youth, family and community development*

Helpful
Tips

Take these steps to be SURE your class attendance gets recorded!

- 1) *Locate the class attendance sheet when you first arrive at the class and be sure to sign in.*
- 2) *When you sign in, CLEARLY print your name and complete contact info.*
- 3) *You should always sign in the same way, with the same name you have provided to ODAFF on your operator/applicator paperwork.*
